LIBRARY DESK

Dimensions: 63W X 32D X 30H

Materials: Quartered Walnut
Brushed or Polished Stainless Steel
Brushed or Polished Bronze
Matching Metal keyhole

Designer: Maxine Snider

Description: Aptly named the Library Desk, ours has an unexpected book niche on the guest side, boasting a view that is as interesting as it is functional. The working side is spare but luxurious, with each surface impeccably crafted of matched quartered walnut. Hidden touch latch hardware lets the beauty of the wood be the star, and a locking pencil drawer and adjustable file drawer complete the deceptively effortless result. The Library Desk is a modern classic---it gets your work done in style.
