## NEW HAMPSHIRE CHAIR

Dimensions: 19W X 21.5D X 37H, 18.5 SH

Materials: Walnut in standard finishes  
Lacquer on Maple  
COM/COL

Designed by: Maxine Snider

Description: The New Hampshire Chair was inspired by early country chairs from New England, reinterpreted in a modern idiom. Distinguished by its spare and angular silhouette, urn-back splat, and tapered legs, it marries well with a range of styles, from traditional to the sleek and minimal designs of the present. Offered in a selection of lacquer colors or in solid walnut in six finishes, the chair may also be custom lacquered to the client's sample.
