

TOKYO CONSOLE
96W X 21.5D X 32H
MAXINE SNIDER INC.

TOKYO CONSOLE

Designer: Maxine Snider

Dimensions: 70W X 21.5D X 32H
84W X 21.5D X 32H
96W X 21.5D X 32H

Materials: Select Plain-sliced Ash or Walnut, Lacquer
Bronze Patina on Steel
Brushed or Polished Stainless Steel

Description: Mies van der Rohe's well-worn quote, "God is in the details," aptly captures the sensibility of the polished and urbane Tokyo Console. A closer look at this deceptively simple piece reveals its defined leg structure, floating top with solid edge, and precise interior fittings. Available in a variety of sizes and materials, the spare but spirited Tokyo Console does more with less.
